Making the Most of Your Volunteer Efforts

Want to make more of a difference in our congregation?

Thrivent Financial for Lutherans can help. Thrivent Financial is a Fortune 500 financial services organization that has been serving Lutherans and their families for more than a century. It's also a not-for-profit organization that supports Lutheran congregations and the efforts of its members to help their communities and congregations.

One of Thrivent Financial's programs is Care in Congregations[®], which provides funding support for volunteer and fundraising activities that benefit Lutheran congregations.

To receive funding:

- Form a congregational service team to identify a need in our congregation.
- Determine a volunteer or fundraising activity to meet the need.
- Submit an online funding request to one of our Thrivent Financial congregational coordinators: Ethel Kozak and Joanne Frick.

Thrivent Financial also offers other volunteer opportunities. For instance, you can volunteer as a chapter leader or congregational coordinator, or lend a hand by participating in a chapter service team, support a food shelf or helping build a Thrivent Builds home with a family in need. When you volunteer, you're working side-by-side with members of our congregation and reap the rewards that come from knowing you're making a difference.

To learn more about how Thrivent Financial can help our congregation, contact Brian K. Lund FIC, CFP at 321-632-3143 or brian.lund@thrivent.com today, or visit thrivent.com.

About a year ago I remember putting on some brakes for my Ford Explorer. The brakes were being stubborn and I was getting a little perturbed. So I called my father and he told me what to do. I had already tried everything he said. I hung up and went back at it. It wasn't 5 minutes later and I called my dad again and said,

“Guess what, I got them on!”

My dad responded, “You might not believe this, but after we hung up I asked God, “Father, just let those brakes slide on for him. He is having some trouble. Just let them slide easily.””

I never thought of going to the Lord in this instance. I guess I wasn't perturbed enough. But it's sure nice when someone else remembers to pray for you.

God's Word actually commands us to do so for ourselves and others...It says, “Pray always” (1 Thessalonians 5:17).

I once heard a minister suggest that the Lord's Prayer is a helpful way to pray rightly for others. It is, after all, a prayer from Jesus, God's Son, so it should be OK with His Father and ours. Throughout this month I pray God's Word will encourage you to think of someone, and pray. Pray as He has taught in every situation.

“Our Father,”

Not “my Father.” We're all in this together so think of someone beside yourself when you pray. “Our Father who art in heaven.” Earthly fathers disappoint us, everyone does. “In heaven” means He's able to do far more than any earthly person we've ever had any experience with.

“Hallowed be Thy Name.”

God's name is all He's revealed to us about Himself, that He's Triune, Creator, Redeemer, Sanctifier, all that's in the Creed. May the person for whom I pray treasure everything God has revealed about Himself.

“Thy Kingdom come.”

God must be ruler over all things. Here you pray that God's grace and truth rule in the life of the one for whom you intercede.

“Thy will be done on earth as it is in heaven.”

God ultimately gets His way; will you let Him have His way with you? Here you pray your person will say with Jesus, “Not my will but Thine be done.”

“Give us this day our daily bread.”

We pray God give them the necessary physical things for life, home and health, work and sufficient wealth.

“Forgive us our trespasses as we forgive those who trespass against us.”

Not forgiving as God in Jesus has forgiven you invites resentment and bitterness into a relationship.

“Lead us not into temptation.”

Don't let them give in to sin, “but deliver us from evil.” Protect them from harm to body and soul and finally bring them to heaven. Finally “Amen:” a word of confidence God has heard your prayer and will act for that dear one for whom you prayed.

The Lord's Prayer is a great prayer to start with. Praying and thinking through the Lord's Prayer is a goal I have for Trinity this coming month. Remember, Prayer...something God has given to you for always.

Pastor Mike
